ORDER

Subject: Appeal made by Shri B. C. Saxena under Section 19 (1) of the Right to Information Act, 2005.

Shri B. C. Saxena vide his letter dated 27/28.06.2011 has made an appeal under Section 19 (1) of the Right to Information Act, 2005 against the decision dated 16.06.2011 of CPIO, EIC for not providing complete information requested by him vide his application dated 17.05.2011 addressed to the CPIO, MOC.

Vide his letter-dated 17.05.2011 addressed to the CPIO – MOC, Shri Saxena had requested for following information and certified copies of related documents in respect of Plan Funds allocated to EIC for the FY 1999 – 2000 till FY 2010 – 2011.

1. Amount allocated with communication details.
2. Amount utilised with communication details.
3. Amount carried forward to next year with communication details.

The above application was transferred to CPIO, EIC and in reply, the concerned section had supplied information in respect of the 3 points raised. In respect of the related communications, it had informed Shri Saxena that the same could not be provided as the information sought related to last 12 years and it will involve diversion of resources of the section manned by a caretaker and a LDC in locating the information.

I have gone through the records of the case and observe that the information as available with the section has been furnished to Shri Saxena. Further, whereas I also agree with the contention of the section that searching of records for last 12 years would entail diversion of resources of the section, I would also like that the very purpose for which the RTI was enacted is also complied with.

The CPIO, EIC, is therefore directed to provide Shri Saxena, within 15 days of receipt of this order, the estimated cost of collecting the remaining information from the records of 12 years. The CPIO is further directed to provide the required information to Shri Saxena within 30 days of deposit of the cost by Shri Saxena.

Shri A. C. Dutta,
JD & CPIO, EIC, New Delhi.
