At a Glance

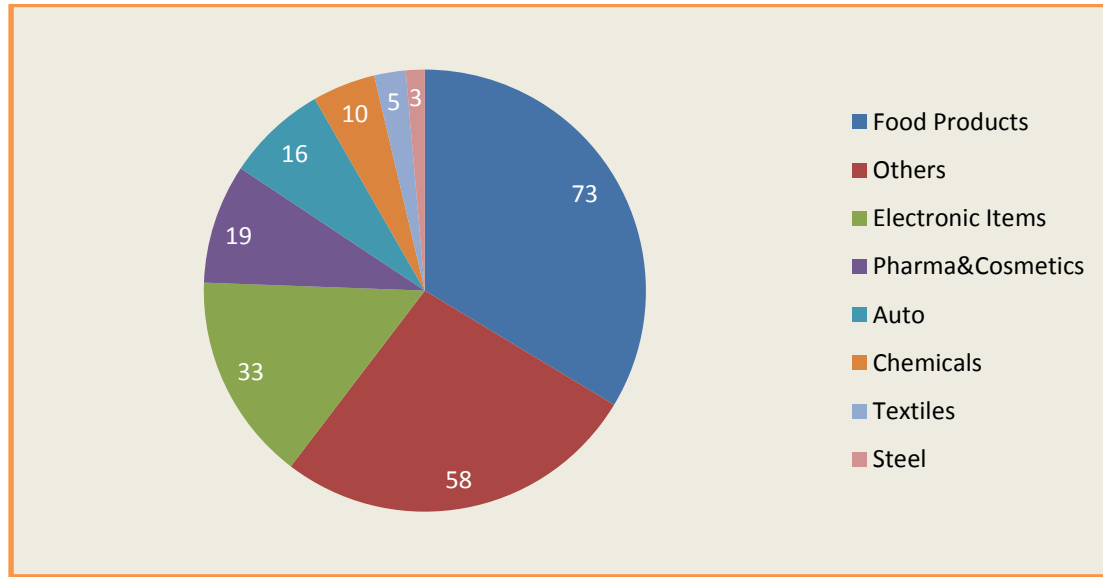

The total number of notifications issued by various WTO-member countries from 1st of January 2015 to 31st December 2015 was 1990. Out of these 1990 notifications, 533 were active notifications that were of relevance for India. These 533 notifications were relevant to India because the products prescribed in these notifications were of India’s export interest to that particular country or to the world. These notifications were sent to their respective stakeholders for comments. Based on the feedback received from stakeholders and desktop research, in case of 23 notifications, a draft comment on each of these notifications were sent by Export Inspection Council (EIC) to the respective enquiry points. ASL analyzed these notifications to study the impact for Indian industry and sought comments from industry to ensure that there is no problem of market access for these products.
