Sub: Renewal of approval under the "EIC's Laboratory Approval Scheme".

Dear Sir's,

Please refer to your application dated 14.01.2015 for renewal of approval of your laboratory for testing of food products under the EIC's Laboratory Approval Scheme. Based on the assessment of your laboratory on 11th and 12th July 2015 and subsequent verification of the closure of the NCs, renewal of approval is granted to your laboratory as per the enclosed Certificate of Approval, subject to the following terms and conditions.

- 1. Validity of approval shall be up to and including 19.09.2017
- 2. Scope of approval shall be as specified in Annexure 1.
- This approval shall be valid within the Scope of Approval as specified in the Certificate of Approval and Annexure 1 stated above, subject to the compliance to the terms and conditions laid down in EIC's Laboratory Approval Scheme 2010.
- 4. The laboratory shall continue to meet the requirements of EIC's Laboratory Approval Scheme and instructions issued by Export Inspection Council (EIC) from time to time.
- 5. The laboratory shall ensure that the methods of analysis are always meeting the requirements of the importing countries through the acceptable validated method of analysis for the purpose of certification of commodities by EIAs (Export Inspection Agencies located at Chennai, Delhi, Kochi, Kolkata and Mumbai).
- 6. The test report or test results of the laboratory, for the parameters not having valid scope of approval as specified in the Annexure 1 shall not be accepted by EIC/EIAs for the purpose of certification. The laboratory shall restrict to the testing / analysis within the scope of approval.
- 7. The laboratory may apply for additional scope of approval under the "EIC's Laboratory Approval Scheme" based on validation of the methods of analysis in compliance to the requirements of importing country.

-- 2

- 8. The testing charges for the products and parameters shall be applicable as fixed by EIC from time to time. No testing charges shall be applicable for the samples submitted by EIC/EIAs for the purpose of ILC (Inter laboratory comparison), proficiency testing, reference sample testing / verification due to complaints, if any, etc.
- 9. In case of complaint, if any, from importing country related to the parameter(s) that was/were tested by the laboratory prior to export, the laboratory shall be subjected to audit trail by official(s) nominated by Director, EIC/ In-charge of EIA concerned. Actions shall be taken, as deemed fit, based on the audit report including withdrawal of the approval.
- 10. The laboratory shall submit periodic statement of tests carried out as per Clause 7.12 of the scheme and also as per the instructions in specific monitoring programmes / schemes implemented by EIC. However, failure of sample, if any, the laboratory shall immediately send the details of the same to EIC/EIA concerned, including the details of the processor/exporter.
- 11. If the performance of the approved laboratory is found not satisfactory, EIC reserves the right to withdraw the approval granted to the laboratory.
- 12. The approved laboratory shall apply four months before expiry of its current approval for re-assessment and continuity of its approval as per the EIC's Laboratory Approval Scheme-2010.

The laboratory is approved to cater the needs of the EIC / EIAs in the field of inspection and certification of the products for export, as per international / importing countries requirements. In view of this, the laboratory is advised to comply with the EU requirements, as per current needs of EIC, for analysis of residues and contaminants in food products for the purpose of inspection and certification by EIAs in compliance to the requirements of EU.

Please acknowledge the receipt.

Yours faithfully,

(Sabeerafi.A.M) Assistant Director
