OUR VISION

To facilitate worldwide access for Indian exports through a credible and efficient inspection and certification system and earn global recognition as India's premier organization for certifying quality and safety to meet international norms.

OUR MISSION

- To create an export inspection & certification infrastructure within the country based on International Standards for Certification Authorities in consonance with WTO requirements.
- To instill confidence in importers about quality and safety of Indian exports.
- To provide accredited state-of-art testing facilities in chosen frontier areas.
- To enhance capability of manpower through trainings to meet International requirements.
- To obtain recognition for India's export certification system from our major trading partners.
- To participate in international fora and project Indian interest.
- To be in sync with the latest technological advancements for capacity building.

OUR VALUES

We are committed to act with integrity and judiciousness, transparency and accountability and with courtesy and understanding in our dealings with the public. All the services and commitments will be honoured as per norms in a time bound manner.

OUR ORGANISATION

The competitive worldwide export marketplace demands high quality assurance solutions that effectively meet today's needs and address tomorrow's challenges. In an area that is characterised by fierce competition and continuing quality governance mechanisms, Export Inspection Council of India (EIC) stands out as the forerunner.

Set up as a statutory body by the Government of India, EIC has radically transformed its activities from the regulatory domain of pre-shipment inspections to that of a facilitator of export trade. Its team comprises dedicated, experienced and highly qualified technical personnel. Today, EIC guarantees the exporters a gateway to demanding markets and the importers and their governments through its certification systems. The recognition for EIC's certification from EC, USFDA, Australia, Turkey, Korea, Japan, Sri Lanka and Singapore are testimony to its credibility.

During the past 4 decades in the service of nation, EIC has played a pivotal role to boost the country's exports through Quality Assurance and Certification Programmes. EIC having its office at New Delhi, operates through its field organisations, the Export Inspection Agencies (EIAs) at Chennai, Mumbai, Delhi, Kolkata and Kochi, having a network of 39 sub-offices at almost all the major ports, important industrial and production centres adequately backed by well- equipped laboratories. Details about these offices are available at our website www.eicindia.gov.in

OUR SERVICES

EIC, either directly or through the Export Inspection Agencies, its field organizations, renders services in the areas of:

- Certification of quality of export commodities through installation of quality assurance systems (In-process Quality Control and Self-Certification) in the exporting units as well as consignment-wise inspection.
- Certification of quality of food items for export through installation of Food Safety Management Systems in the food processing units as per international standards.
- Issue of different types of Certificates such as Health, Authenticity etc. to exporters under various product schemes for export.
- Issue of Certificates of Origin to exporters under various preferential tariff schemes for export products.
- Laboratory testing services.
- Training and technical awareness to the industry in installation of Quality and Safety Management Systems based on principles of Hazard Analysis Critical Control Point (HACCP), ISO-9001: 2000, ISO: 17025 and other related international standards, laboratory testing etc.
- Recognition of Inspection Agencies as per ISO 17020 and Laboratories as per ISO 17025 and utilizing them for export inspection and testing.

In rendering the above services, EIAs are backed by qualified technical manpower, having nearly forty years of diversified experience of quality control and inspection of notified commodities including their testing as per international standards/importing countries' standards or the foreign buyers' specifications.

OUR COMMITMENT

The Export Inspection Council of India (EIC) set up under the Export (QC&I) 1963 Act is the official export certification body of India. Besides advising the Government on sound development of export trade through quality control and inspection, EIC operates export inspection and certification through its field organizations. We commit to make all endeavour to carry out our task and carry out all services with: -

1. Integrity and Judiciousness
2. Courtesy and Understanding
3. Objectivity and Transparency
4. Promptness and Efficiency

OUR CUSTOMERS

Our customers include

- The government whom we advise on measures for sound development of export trade
- Exporters whose products are certified under our consignment wise inspection.
- Exporters having approved units from which products are being exported.
- Exporters availing the facilities of Certificate of Origin.
- Foreign governments that have recognized EIC certification.
- Common consumers of importing countries.

OUR EXPECTATION

We expect you to be prompt and reasonable in fulfilling your duty and legal obligations and to be true and honest in furnishing information to us.

In the case of exporters taking our approval, we expect implementation of certification schemes to be done honestly.

In the case of Certificate of Origin, we expect correct and honest declarations to be given to us so that the credibility of exporters and the EIC is maintained.

COMPLAINTS AND GRIEVANCES / REDRESSAL SYSTEM

A Complaint & Grievance Cell is functioning in the Department at EIC in New Delhi. This deals with: -

1. Complaints about EIC officers and employees.
2. Grievances of EIC officers and employees.

A complaint or grievance submitted to the cell will be acknowledged within a week. Appropriate action will be completed within one month for grievances relating to EIC and EIAs. In the event of the person wanting to take up the matter personally, he or she may contact: -
